Quests and Questions

A/N: Quests and Questions. Kind of a silly title, yes? Oh, well. My first HP fic/poem. Flames will be used to roast marshmallows. I like mine golden-brown!

>
 And a dedication: To you fanfic writers. All of you out there that I'll never meet, but who make me laugh my arse off, cry my eyes out, and muse for hours on a daily basis. Keep writing, and I'll keep reviewing.

>
 Disclaimer: May some higher being bless you, JK, for creating these characters that I have no claim on, and yet shamelessly exploit for my own literary pleasure. All yours, not mine.

 Now then...without further ado...

> Quests and Questions

>
 One with two sides

> Different as night and day
 Gentle, quiet, pale and drawn

> Except for that one night a month
 When the carnivore rips, thrashes

> Tears your soul from bit to bit
 You seek balance in your life.

>
 One small and cowardly

> Cringing against the tide of life
 A leaf blowing in the wind

> Will eventually get ripped to shreds
 You seek a protector.

>
 One blunt and direct

> Loyal to friends, even though death
 May separate your union

> Love to laugh and live
 Born to bad but never evil

> You seek revenge.

> One noble and loving
 Excitement and danger follow you

> Savior of your ungrateful enemy
 Fleet on broomstick and sometimes on hoof

> Strong and forceful, with Lily by your side
 You seek a better
life for your son and his descendants.
